**Assessment Requirements:** TSI WAG CR (EU) 321/2013 as amended by CR (EU) 1236/2013, CR (EU) 2015/924, CIR (EU) 2019/776, CIR (EU) 2020/387 in combination with the Harmonized Standards, Voluntary Standards (or parts thereof) and Alternative Solutions as identified in the section 4 of the EC Audit Report.

**Scope of Assessment:** including the optional Appendix C.

**Module applied:** CD of the relevant decision adopted pursuant to the Directive.

**Assessment Result:** The Quality Management Systems (hereinafter only “QMSs”) of the afore-mentioned Manufacturers have been audited and were shown to comply with the Assessment Requirements, subject to any Conditions and Limits of use as listed below. The Assessment Results are provided in detail within the accompanying EC Audit Report, section 2. The Essential Requirements have been assessed as being met through compliance with the requirements of the relevant TSI only.

Conditions see section 6.6 in respective EC Audit Report / without limits.

**Conditions and Limits of use:**

**Accompanying Documentation:** EC Audit Report No. 1358/22/010/02/RST-WAG/CD/CC of 25 October 2022.  
This documentation is an integral part of this QMS Approval.

**Validity:** Start: 10/04/2023  
End: 09/04/2025

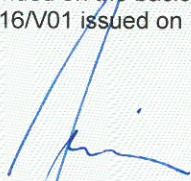

The validity of this QMS Approval is subject to continued compliance with the Type Examination Certificate 1358/1/CB/2020/RST/EN/717/V01 of 18/11/2020 and to the continued maintenance of the QMSs in accordance with the requirements of the above Directive.

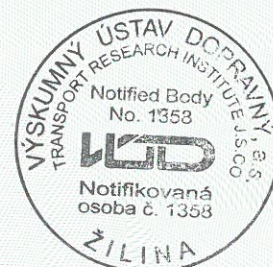

This QMS Approval is valid as long as compliance of the QMSs with certification requirements is maintained. If certification requirements are affected, then the Notified Body must be informed.

Within the validity duration of this QMS Approval the applicant can perform production and final product inspection of the object of the assessment. This validity duration may be extended on the basis of future auditing.

This certificate follows certificate No. 1358/4/CD/2022/RST/EN/1116/V01 issued on 18/07/2022.
